

Floral Service Menu

Just pick and choose!

Our 'Floral Menu' encapsulates the key services and added value provided to the hospitality industry.

Whether it involves training and collaborating with your in-house florist team or assuming full responsibility for all floral work within your hotel, we offer a comprehensive range of services to suit your needs.

With extensive global experience and a vast network, The Floral Designers excel in adding value and elevating the guest experience to new heights.

THE FLORAL DESIGNERS

1) Seasonal Floral Guidelines

To ensure consistency and quality, we assist you in crafting a detailed Floral Guideline. Tailored to each room, season, and specific floral arrangement, we meticulously curate the ideal combinations of flowers, pots, and vases. This comprehensive guide ensures a unified look and feel across your establishment, providing clear instructions for flawless floral displays, and allows you to manage budgets strictly.

2) Pottery, Vases, and Pillars

Pots, pillars and other decorative materials lay the foundation for striking yet cost-effective floral arrangements. We design, develop, purchase or even produce you the right pots, vases and pillars, perfectly matching your brand and identity

3) Floristry Training and Coaching

Tailor-made training sessions for your in-house Floral, or Housekeeping team, that spotlight floral decorations for banqueting, housekeeping, and hotel decor.

Our comprehensive programs cover technical aspects, design principles, work methodologies, presentation techniques within the hotel setting, and any other relevant subjects, such as budget management.

Weekly Flower Deliveries (4)

Maintain the freshest floral displays with our seamless weekly flower delivery service. Collaborating with an esteemed international flower supplier from the renowned flower auction in Aalsmeer, Netherlands, boasting over a century of expertise in supplying flowers to wholesalers and hotels worldwide, we ensure top-notch quality and selection. Our team meticulously inspects each
